QUARTERMASTER GENERAL'S OFFICE,

Richmond, 19th Nov. 1864

Hon: J. J. Seddon
Secy of war

Sir

I have the honor
to submit the claim of
Captain Charles Morris
for promotion to the
rank of Major - He
was appointed Captain
in the Quartermaster De-
partment July 19th 1861,
and his commission is
therefore one of the
oldest in the service -
Captain Morris's duties
were so satisfactorily per-
formed that he was highly
recommended for, and
received the appointment

of Major. April 10th 1863.

He acted under that appointment for some time when he discovered that he had not been confirmed by the Senate and probably that his name had not been sent to that body.

Captain Morris is an officer of unusual intelligence & industry; and for several months past has been on special duty in the office of the Quarter Master General.

I respectfully submit that the date of his commission, his faithful services, and the present important and responsible

duties he is discharging,
entitle him to promotion;
and that his ~~value~~ ^{value} & ef-
ficacy would be in-
creased by it -

To Mr. Gault's Office
Richmond Sep 20 1864

Major,
I have this morning acknowledged the receipt of your communication of the 15th ult. enclosing a letter from Genl Brass & Genl Gordon reporting me as having an able bodied conscript in my employment.
I beg leave to state in explanation that my report to Col Hays, Inspector of Genl Brass, was made June 14 1864. The man, I the Spindle, was detailed to me by Maj Peyton, Chief of Inspection, in (60) sixty days from Apr 16th 1864; no detail was not on the 16th of June 1864 two days after my report was made. I promptly reported the man to the Bureau of Conscription when the detail expired, & he has not been in my employment from that day. He was in fact detailed for the Inspector Genl. Field Transportation, but not in my rolls for payment, his turnup being to hunt up & recapture abandoned public stock & other abandoned public property.
I have seen no one in my employment, either civilian or detailed man, & have not heard since ~~April~~ June 16 1864. The original order detailing Spindle to me was returned by me to the Bureau of Conscription as expired, & services no longer required, so that I can only refer to the copy filed with my report.

to Col. Hays, near your office in
I have been with copy of the orders under which
I am now acting.

If this explanation be satisfactory, I am con-
fident of a true & faithful effort, if the
contrary, I think I can satisfy you in every
particular which may require proof or further
explanation upon suggestion of the same

(1st Div., 23d A. C.)

CHARLOTTE, N. C., May 11th

1865. }

In accordance with the terms of the Military Convention, entered into on the 26th day of April, 1865, between General Joseph E. Johnston, commanding the Confederate Army, and Major-General W. T. Sherman, commanding the United States Army in North Carolina, *H. C. Morris, Hospital Steward, C. G.* has given his solemn obligation not to take up arms against the Government of the United States until properly released from this obligation; and is permitted to return to his home, not to be disturbed by the United States authorities so long as he observe this obligation and obey the laws in force where he may reside.

 It is impossible to escape
 the conclusion that the
 acceptance of the Commission
 as 1st Lieut. vacates the
 Commission as Hospital
 Steward. It might be
 proved; but as the party
 makes it, the question must
 be decided by the
 War Department.

I think, to be answered.
 Another question arises:
 Can a 1st Lieut. be employed
 as a clerk, even when not
 on duty. His being off duty,
 does not affect, the or, for
 a moment, vacate his com-
 mission - it continues in force
 till the revocation of the law
 he cannot draw pay on
 it except when called out.

Again: if an able-bodied
 man, can his name, as a
 Hospital Steward, be placed on
 the roll of employees?

During the month I had the honor
to present in person an application for promotion,
endorsed by Lieut Genl Pennington. The endorsement
was a personal one addressed to you, if however, it
is not in itself sufficient to show my qualifications,
I would respectfully refer you to an application for
the position of 1st Lieut of Artillery C.S.A, filed in the
fall of 1861 endorsed by Maj Genl Benjⁿ Hunter & Brig
Genl A. Pennington. Justice to myself demands that
every endeavor should be made by me to secure pro-

and being myself cut off from the same by my
position. Hoping that this will meet your
early and favorable consideration

I write to request a favor of you, Enclosed
you will find a letter to Gen Cooper which I will
oblige me much by delivering and using the
means at your disposal to accomplish. I have
been in the army now since Jan, 1861, at which
time I entered as a private in Florida, where I
served until the secession of Virginia, when
deeming that my own State demanded my
services, I hastened to her and was appointed
a Private in the Provisional Army. When the
Provisional Army was disbanded, I was appointed
Adj. to Gen Pemberton, which position I have
held ever since. You know my antecedents
prior to the war, for I have had the honor,
time and again, to appear before you at my
examinations here. Nearly every member of
my class holds a position equal to the one for
which I apply and I do not think it right that
I should be left behind in this great struggle.

Neither of these gentlemen desire to remain in the army and indeed they both serve with the single motive to be useful.

I have to refer to my letter to Mr. Blodgett on this subject. He knows them both and can state their character & fitness.

Letter of Recommendation
from

July 21. 1864

Headquarters Williamsburg July 21 1786

Sir

I have the honor to recommend that Captain Morrison Asst D^r M^r be appointed Captain of Artillery in the provision army Confederate States and ordered to report to me here as ordnance officer at this place.

There is great need of his services here there being no officer in my division who can discharge properly those duties, upon which depends in a great measure the success of the defenses at this place, and success here is all important, since there are no favorable positions for defense between this and Richmond.

There difficulty in our arms is to have these staff duties properly performed.

Capt Morrison is a man of talent system and energy and will be able to have constructed here the necessary gun carriages for guns which ought now to be in position.

There are guns enough to be had but no gun carriages for heavy guns. A large amount of ammunition for cannon and small arms is required here which must be arranged for the different calibres. There is not a detailable officer who can do it.

I am extremely anxious therefore to have the services of Captain Morrison in that department his place as q^r master can be well filled by Mr Charles Morris also a professor in William & Mary College who is represented by all as eminently qualified for those duties; being intelligent, active, of

Capt. W. H. Southall of the Albemarle Artillery
is hereby authorized to hire a blacksmith's shop
and tools for the use of his company and his
order on that of his agent on this department for
the amount of the rent will be punctually honor-

Recommending Capt Morris

Head Quarters Winnebago
July 15. 1861

Dear General, Captain Morrison
Capt M^r at this place, wishes to be ap-
pointed ordnance officer here, instead
of remaining in his present situation,
which he fills very well. Mr Charles
Morris of the College it is said, will
make a most excellent Dr Master.
He is willing to perform the duties.
He is a man of high character
& abilities & also a healthy man.
I think it would be advancing
the public interest to appoint
Captain Morrison to Captaincy
of Artillery in the Provisional
Army & to station him here as
ordnance officer. There will
be twenty pieces of artillery
here soon. of various calibers.
& much ammunition for small
arms. & a good ord. officer
as Capt Morrison will make,
will be much needed here.
I therefore recommend
that this appointment

with authority & that of Mr
Charles Morris to the Lt. Master,

him by the Treasury for expenditures on account of the Ordnance

Money and Property left by Capt. M. and send Invoices
of the same to this Office, as well as all vouchers for disbursements

Sir

Last spring I was ordered
to leave my post in Richmond and proceed
to Fort Mifflin, Pa. I left on the 1st of
June and after a short stay at
the report in Richmond to Brig Genl J. S.
Mifflin. He was in the house & saw
me to Richmond, when he invited
this place. I refused to accept said appoint-
ment, and I returned to duty
on Genl Price's staff, which was done.
He immediately left Richmond and crossed
the Ohio River and joined the army. Upon
his account for traveling expenses
from Richmond to the place of meeting his
troops, the Quarter Master refused to pay it.
He now requests that said Quarter Master may
be ordered to settle the account - Very respectfully,

General Hospital No 9

Richmond Nov 29th 1864

Surge J. J. Thwait

Sir

In obedience to the instructions I left the city on the morning of the 27th on the Richmond and Danville Rail Road, in charge of 77 sick and wounded furloughed men and officers. We arrived at Danville at 7 o'clock, where I reported to Surge Chas. Michael, in charge of the Hospital. We had a good Ambulance Car, and an abundance of fire and water. I have to report the fact that PT S. P. Walker is of 5th S. Regt, was charged with three days rations on his furlough, and was not furnished with the same. He was furloughed from Jackson Hospital. I mention this fact in order that the like may not occur again. I have noticed the same thing before, but did not mention it, thinking it might have been done by mistake, in the confusion consequent upon sending so many men off from the Hospitals. I am happy to say that the man mentioned above did not suffer, as he was given something to eat on the road and I stopped him at Danville.

Very respectfully

Sir

The Medical Department
stands in great need of Beeswax. There is
only one lot in town - which belongs to John
Jackson - who is now in England. His agent
with whom Jackson left a memorandum of
the wax, will not sell - as the owner - Jackson
desires to ship it to England.

Upon enquiring at the place at which the
wax is stored. I am told that it belongs to a
Mr. Bearden. This I know not to be the

case, else no directions would have been given
by Jackson to his agent

I desire to be placed in possession of power
to take up a receipt for the wax.

I have the honor, respectfully, to ask
to transfer to my Staff, as Acting

Thorton, Asst: Brig: of Master, Ben.
Thorton's Brigade. The important
and delicate duties with which

that, I should have, as my Asst-

to me; in whose ability, skill,
energy, and, capacity I have
the utmost reliance.
Capt Thorton is a gentleman of
high character, possessing
more than ordinary intelligence,
and thoroughly acquainted with
the laws, both Civil and
military. From my entire

Army acquaintance, of suitable
rank; I have selected him as
the person, most fit for the
position indicated -

hurry & confusion of leaving my subordinates
there was a place, and in turning some
one over to Major Brown in his C.S.A. I lost
25 Bushels of corn 1400 lbs. & five hundred & fifty
pounds of bacon. I suppose they were taken
and used by our army as they were encamped
around and I did not have sufficient guard
to protect the property against the Indians, and
to keep them from taking the meat & corn,
as they were without ration.

I Certify that when General Hunter
made his raid in June last through
Virginia & back to F., that being
absent from Pinecastle on duty, and
only returning there the day the
Yankies came on, I did not have
time to remove Eight Hundred and
Forty three pounds of Bacon, & Fifty
Bushels of Oats - 480 lbs, which I had
stored here, and consequently they fell
into the hands of the Enemy.

Private Martin has been treated for "functional disease of the heart" by several Physicians and was collected out to enlist. Still I am not satisfied as to his disease having treated him for 2 months and watched his case carefully. He was not anxious to be discharged, could he have been detailed for duty in the Department where he could not be exposed to the vicissitudes of the front. He was a student who enlisted and would, I have no doubt, be pleased to be detailed.

Sir,

The fact that I have
attended only one course of lectures, though I believe
I am fully prepared to pass an examination -
Others are now entering for graduation at the Medical
College of Va. I therefore most respectfully apply to
be transferred to Charlottesville, so that I may have
an opportunity of offering for a degree at the University
whose to succeed is dependent on merit alone. I can
not reasonably hope for the occurrence of such an
opportunity during the continuance of the war -
The wounds on which I base my appli-
cation will by no means afford a pretext for my
ceasing to be engaged from any duty which I would
otherwise wish to perform.

Yours Respectfully
